Comprehensive Bidirectional Tracking for May & June 2026 | High-Yield Revision Guide

1. Structural Core Category Mind-Map

2. Topic-wise Comprehensive Chronicle Table

Pillar Category	Core Event / Framework	Detailed Syllabus Integration & Micro-Facts
National & Political Governance	Naolekar Committee Constituted	Union Home Ministry formed a high-level investigative panel chaired by retired Supreme Court Justice Prakash Prabhakar Naolekar . The committee is mandated to conduct a thorough country-wide assessment regarding 'unnatural' demographic shifts arising due to illegal cross-border immigration.
	Chambal Forest Guards Protection	The Supreme Court directed Uttar Pradesh, Madhya Pradesh, and Rajasthan to proactively consider granting immunity from criminal prosecution to frontline forest guards fighting illegal sand miners in the Chambal basin. The shield is proposed under Section 218(3) of the <i>Bharatiya Nagarik Suraksha Sanhita (BNSS)</i> , matching standard protections granted to armed forces during bona fide line-of-duty operations.
	Karnataka Executive Change	Following internal state consensus, D.K. Shivakumar was officially sworn in as the Chief Minister of Karnataka on June 3, 2026, during

Pillar Category	Core Event / Framework	Detailed Syllabus Integration & Micro-Facts
		a simplified state ceremony held at the Glass House in Lok Bhavan, Bengaluru.
	Varanasi Civil Aviation Milestone	Union Civil Aviation Minister Kinjarapu (K.) Ram Mohan Naidu officially inaugurated India's pioneering **hub-and-spoke international connection flight** (Air India 1111) from Lal Bahadur Shastri International Airport in Varanasi, UP. The model bridges direct routing access across 17 global destinations including Rome.
International Relations & Bilateral Pacts	Quad Foreign Ministers' Meeting	Concluded in New Delhi; chaired by EAM S. Jaishankar and attended by counterparts Marco Rubio (US Secretary of State), Penny Wong (Australia), and Toshimitsu Motegi (Japan). Unveiled a robust Indo-Pacific maritime surveillance grid, port infrastructure funding channels, and firmed up a bilateral India-US Critical Minerals framework deal to counter dominant Chinese export curbs on rare earth components.
	Operation Amistad	Launched as a swift **Humanitarian Assistance and Disaster Relief (HADR)** deployment by the Indian Government. Indian Air Force (IAF) mobilized heavy-lift C-17 Globemaster aircraft packed with multi-ton emergency medical and rescue equipment directly to Venezuela following devastating earthquakes.
	US-Iran Interim Pact	Mediated actively by Pakistan on the sidelines of the 52nd G7 Summit in France, both nations signed the **Islamabad Memorandum of Understanding (MoU)** . The 14-point historic interim pact halts military hostilities (*Operation Epic Fury*), structures a 60-day roadmap under IAEA watch to downblend enriched uranium, and initiates phased lifting of naval and oil blockades.
	International Big Cat Alliance	Bangladesh officially integrated into India's global conservation ecosystem as the **27th member country** of the International Big Cat Alliance (IBCA) to manage transboundary wildlife corridors and tackle illicit poaching networks.
National Awards & State Honours	Slovakia Highest State Decoration	During his European tour, PM Narendra Modi was conferred with Slovakia's premium state decoration — The Order of the White Double Cross, First Class — highlighting bilateral friendship and diplomatic bridges.
	Seychelles Environmental Honor	Conferred with the prestigious Guardian of the Blue Horizon distinction by Seychelles during his official visit to its National Day celebrations, honoring his global footprint in climate action and the blue economy framework.
	Padma Civil Investiture	President Droupadi Murmu presented 65 Padma Awards (2 Padma Vibhushan, 7 Padma Bhushan, 56 Padma Shri) at Rashtrapati Bhawan. High-profile recipients included Indian Cricket Captain

Pillar Category	Core Event / Framework	Detailed Syllabus Integration & Micro-Facts
		Rohit Sharma , veteran actor **Mammootty** , playback icon **Alka Yagnik** , and tennis stalwart **Vijay Amritraj** .
	Sand Sculpture World Cup	Renowned Indian sand master **Sudarsan Pattnaik** clinched the premier award at the II International Festival of Sand Sculpture in Russia, building an intricate ecosystem model emphasizing global warming conservation.
Sports Highlights	FIFA Men's World Cup 2026 Preparations	The 23rd edition countdown intensified across co-hosts USA, Canada, and Mexico. Key parameters published include the official match ball, **Adidas Trionda** , and mascots Maple, Zayu, & Clutch. Additionally, **Cristiano Ronaldo** set a historic record by tracking scores across 6 separate World Cup editions.
	FIH Women's Nations Cup	The Indian Women's Hockey Team emerged as the spectacular champions of the FIH Nations Cup hosted in New Zealand, downing the hosts in a tense final encounter, directly securing India's formal promotion to the premium FIH Pro League.
	Athletics National Record	Indian high jumper **Sarvesh Kushare** matching one of the nation's historic track peaks by logging a monumental jump of **2.31 meters** during international athletic configurations.
Science, Tech & Strategic Defence	67th TOP500 Supercomputers list	Released at the High-Performance Conference in Hamburg, Germany. India stands at **16th rank globally** hosting 7 recognized systems led by *PARAM Siddhi-AI, Pratyush, Mihir, and Aditya* . The apex spots remain commanded by USA's *Frontier* and *Aurora* , with Germany's *Jupiter* capturing 5th place.
	DRDO ULPGM-V3 trials	Successfully executed final configuration development trials of the **Unmanned Aerial Vehicle-Launched Precision Guided Missile (ULPGM)-V3** at the Kurnool test site (Andhra Pradesh) spanning highly versatile Air-to-Ground and Air-to-Air engagement modules.
	Suryastra Rocket Firing	Successfully conducted long-range firing trials of **Suryastra rockets** (ranges spanning 150 km and 300 km) at ITR Chandipur, Odisha. The system adapts the Israeli *Elbit Systems PULS* platform manufactured entirely via the domestic defense landscape by Nibe Limited.

Fast-Track Crucial Core Pointers (May - June 2026):

- **Cotton Customs Exemption:** Ministry of Finance passed a full customs import duty exemption on cotton from June 1 till October 30, 2026, to offer major input cushion to domestic textile manufacturers.
- **G7 Summit Venue:** The 52nd G7 Summit concluded successfully in France under the central operational theme: *"Working Together to Address Major International Challenges."*
- **NeVA Integration:** West Bengal formally enacted full integration protocols to adapt the National e-Vidhan Application (NeVA) to digitize assembly legislative workflows.
- **New Missile Integration:** DRDO completed structural integration tests of the highly advanced **RudraM-II** anti-radiation/air-to-surface missile systems.
